3. 3-M Yellow Stickies-3" x 5" and 3" square
4. Staples for regular sized staplers
5. Construction Paper-Large Size like poster paper
  - a. White
  - b. Multi-colored
6. Magic Markers-Each teacher could use 10 multi-colored packs
7. Paper clips-large and small
8. File folders

Language Arts

Students are purchasing a vocabulary workbook that we will use for the year. The cost will be **\$15.00**. Please send cash or a check made out to Carnage Middle School by **Friday, September 11**. I cannot order the books until I get the money.

Students will also need to purchase a novel, King of Shadows by Susan Cooper. The cost is **\$5.05** (this includes tax) per book. I get a 21% discount at Quail Ridge Books. Otherwise, it would have cost over \$6.00. This is a book that will help the students understand Shakespeare and the times in which he wrote. Please send this money in by **February 5**. We will be using this second semester.

### Field Trips

The 8<sup>th</sup> grade is planning on taking two field trips this year. Our team may plan one more possibly. We will take one in the fall and one in the spring. Hopefully, we will have the trips planned by Open House Day. If we do, we can let you know what the cost of those will be and the timeline for paying.
